Re: No. 05-47 - Its Jacob v. United States

Dear John:

Glad to hear from you. I've finished reading your opinion and don't see any noticeable drafting errors with the slight exception of one: You referred to a "three day sentence" but I believe this case actually involves a *six* day sentence.

Besides that, the opinion seems to me perfect. If you'll allow me, I would like to join you.

Sincerely,
